

FROM MAX EHRLICH

Nov. 16

Dear Mr. Hehn:

Thank you for your inquiry.

I regret that I can be of little or no help to you. Juvenile adventure radio serials, were not my speciality, I wrote only a few in the Mark Trail series, and this was so long ago, I remember nothing about them. Have written over 700 radio and TV shows in the past, and most of them by now are completely obscured in memory. In fact, on Mark Trail I no longer have copies of the scripts in my files, and therefore cannot even refer to them.

Sorry I cannot be of more help, and I do appreciate your inquiry.

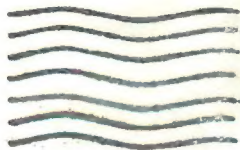

Sincerely,

*Max Ehrlich*
